

Garage Defender Offer

Most up-and-over garage doors are the least secure part of the home

Police are currently offering the 'Garage Defender' + lock for a discounted price in an effort to increase home security in the Rushmoor and Hart area

The Defender has been awarded 'Sold Secure' status at Bronze level

The lock bolts into the ground just in front of the garage door to prevent it being opened when locked

The Defender retails at £80 in most shops but is available through the Police for **just £45**
